“TOILET TIME”- A Free Information Session for Parents and Carers
Toilet Training for Children with Developmental Disabilities

Date: Friday 4th December 2015
Time: 10.30 am – 12.30 am
Venue: Gawler and District College B-12
Gawler Children’s Centre
Barnet Road, Evanston (Enter & Park via Gate 6)

- Do you want to start toilet training with your child but you’re not sure where to start?
- Have you started toilet training but are having difficulties?
- Are you interested in exploring different ideas for toilet training?
- Do you want to share ideas and experiences with parents / carers in a similar situation?

This FREE 2 hour information session for parents and other carers will provide an overview of developmental stages, setting up for success, toilet training methods and managing specific toilet training difficulties. There will be an opportunity for individual questions and discussion.

PLEASE NOTE: NO CHILD MINDING OR CRECHE SERVICES AVAILABLE

This session is being facilitated by Debbie Atkins,
occupational therapist and toilet training consultant with:

Child and Youth Services – Department for Communities and Social Inclusion.

Child and Youth Services has been running toilet training education programs for many years with families, as well as providing support for individual toilet training programs. Additional toilet training resources are also available through Child and Youth Services.

To register for this information session:
